MEET THE LOCALS

Cheshire is home to many amazing beer & spirit distilleries & we love to support local.

Pop over to the bar to see what we are championing from the local area:

Hunters Gin

'Our aim is to create a high quality gin, full of flavour, that fits the Cheshire lifestyle which we & our friends could enjoy.'

Hunters Cheshire gin is a single batch distilled London dry gine based on an adaption of a 300 year old recipe.

Three Wrens Gin

'Three Wrens was launched in 2019 from our small woodland distillery in Combermere, Cheshire. We are a small family business and took the name Three Wrens as a nod to our local village of Wrenbury.'

We have a variety of Three Wrens gins to offer. You can enjoy as a classic Gin & Tonic or you will find them in some of our cocktails too.

Weetwood Brewery

'We go the extra mile to ensure quality, character & consistency. This involves fantastic ingredients, a brilliant team, a bit of creativity, plenty of skill & lots of hard work.'

Weetwood Best Bitter is one of our permanent cask beers, we use it in our famous pie & our beer batter for our Fish & Chips too.
